

# OPTIONS

## Woodland Meridian Lodge

For more environmentally sensitive parks please consider the Woodland Meridian Lodge or Woodland Vogue in genuine timber plank cladding - refer to [www.willerby.com](http://www.willerby.com) for more details.

## Energy Efficient Options

Gas central heating and radiators with temperature control valves and energy efficient PVCu double glazing.

## Environmental Green Cladding

Your Willerby holiday home may be specified in 'environmental green' cladding (available in aluminium or rigid plastic cladding - according to model). Consult your park or distributor for more information.

## Optional Electrical Appliances

On selected models choose from a range of optional electrical appliances available at extra cost (washer/dryer can be replaced by dishwasher on selected models). For a comprehensive list of options applicable to each model please refer to [www.willerby.com](http://www.willerby.com) for the most up to date information.

Integrated Microwave

Integrated Slimline Dishwasher

Integrated Washer/Dryer

Gas Fire
