A kitchen designed to be the beating heart of the home

The Gainsborough offers owners a premium holiday home experience on both a 12ft and 14ft pitch.

From the moment you step inside, the bold and contemporary aesthetic is undeniable. The striking navy cabinetry is accessorised perfectly with gold handles and the soft greys and yellows of the furniture and curtains bring the space to light. It is bright, airy and full of character.

The star of the show is undoubtedly the kitchen - developed in response to Willerby Owners Club feedback, the Gainsborough offers 40% more storage space than ever before in a Willerby 12ft holiday home kitchen, with smart storage features including lowered cabinet plinths, pull out racks and canister shelves.

The elegant design doesn't stop at the front-end living space, with both bedrooms boasting feature panelling, blue accent wall boards, and a striking co-ordinated bedding pack.
