Cleverly hidden storage in every corner

Combining generous storage, a contemporary interior, and a never-before-seen layout, the Rio offers something truly unique.

The distinctive layout of the Rio allows you to step straight into the heart of the home - the kitchen, with the kettle just an arm's reach away. With a cup of tea brewing, it's time to drop those bags and head straight to the comfy L-shaped sofa in the lounge, where your vacation truly begins.

Cleverly designed storage features heavily throughout the Rio, from the underseat storage in the lounge and smart stowing space beneath the dinette bench, to the large cupboard in the hallway and generous built-in wardrobes in the bedrooms. You will never be short of space so bring all you need and more.
