Compact in name but *not in* nature

THE RIO COMPACT

10ft floorplan

Full size features

Vibrant colour scheme

Hallway bench seating

Small but mighty

All the style of the Rio packaged up for that smaller pitch.

The Rio Compact has been designed to provide Willerby's trademark contemporary interiors for those with a 10ft pitch. It takes all the best parts of the Rio, including the vibrant colour scheme but features its own unique layout.

Although compact in size, this home certainly isn't compact in nature. Featuring a full sized shower, fridge-freezer, and even a king-size bed in the 36ft two bed model, there's no need to compromise when buying your dream holiday home.
