Textured fabrics, neutral tones and *sophisticated* design

THE SALISBURY

- Freestanding furniture
- Stylish lighting
- Brushed chrome sockets
- King-size bed with lift-up storage

A classic *cosy* space to relax and unwind

The Salisbury gives traditional holiday home design a modern twist. Super chic interior and clever functional design mean you'll feel right at home as soon as you step inside.

Combining textured fabrics, neutral colours and sophisticated design features, this holiday home is a classic cosy space in which to relax and unwind.

The circular dining room table helps to create a real social environment, which flows into the lounge where the plush sofas invite you to sit back and enjoy conversations with friends over a hot cup of tea. Undoubtedly, the media unit, complete with a feature panel wall, a complementary colour scheme and wall-mounted pendant lighting, is the main focal point of the room.

These colours carry on into the stylish and practical kitchen space, equipped with full-depth pan drawers, stylish lighting and an impressive composite sink.
